FCC statement for equipment usage

agent: dresden elektronik ingenieurtechnik gmbh
client: Atmel Automotive GmbH
FCC ID: VNR-E31ED-X5B-00
FCC Part 15 Certification

Dear Sir or Madam,

this evaluation board/kit is intended for use for FURTHER ENGINEERING, DEVELOPMENT, DEMONSTRATION, or EVALUATION PURPOSES ONLY by professional users and must not be incorporated into any other device or system. This evaluation board/kit is not sold to retail, to the general public. Standard antenna connectors are used. The equipment is sold with the antennas that have been tested in this filing. Antenna instructions are provided in the hardware manual.

Sincerely,

Signature	
Name	Andreas Palm
Title	Development Engineer
Company	dresden elektronik ingenieurtechnik gmbh
